Church leaders are invited to apply to become a Forgiveness Champion and join the Human Flourishing Program's Church Leader Forgiveness Group. This group is part of a new Forgiveness Promotion Initiative at the Human Flourishing Program to make the world a more loving and forgiving place.

The group will meet 7 times on Zoom from May through September 2025. Each meeting will be 1.5 hours and will require 1-2 hours of preparation work. Champions will work through the evidence-based REACH Forgiveness Workbook (adapted for churches), provide feedback on the materials, and help to create and give feedback on resources for future Forgiveness Campaigns in Churches.

We are offering a \$1000 honorarium to individuals who are able to participate in the full program. Preference will be given to church leaders who would be interested in hosting Forgiveness Groups at their churches and/or applying for funding to host a Forgiveness Campaign at their church in Lent 2026.
